

VIAMI Test Drive Program

A unique opportunity to experience VIAMI Fiber and Ethernet Testing Solutions – for FREE!

Enjoy a **FREE** trial of our Fiber and Ethernet test solutions. It starts with a [simple registration](#) and a conversation to match your test requirements to the correct VIAMI product(s). Assuming a match, VIAMI will deliver that equipment to your location for a two-week trial. A VIAMI product expert will support your trial in person and/or remotely to ensure the tool(s) meet your requirements. VIAMI pays for shipping both ways. There is no obligation other than to use the tools while you have them. If you do determine you would like to keep the equipment we have some incredible discounted pricing available to you. Enjoy first-hand the benefits of VIAMI fiber and ethernet testing solutions at the comfort of your office. VIAMI Terms and Conditions apply.*

Available Options**

OTDR

Lightweight and compact, VIAMI OTDR speeds and optimizes field testing of metro and access networks—with a tailored OTDR interface and automatic analysis that is streamlined and easily understood by techs at any level.

SmartClass Fiber MPOLx – MPO Optical Loss Test Sets

Fiber Inspection Probe

Tech Support and Consultation

We provide the support and resources you need—including live technical assistance centers, responsive customer care representatives, or through our extensive on-line knowledgebase. To find out more and get your consultation, please [register for the program now](#).

* Demo units to be returned (transferred to our shipper) by the customer no later than the 11th business day after receipts. Program is only valid in North America and Canada. Must qualify to enroll. Subject to availability. Ask your representative for more details.

** Fiber Inspection Microscopes, Tier-1 Fiber Certification, MPO Testers, OTDRs, G – 400G Ethernet Testers, AOC-DAC Testers, Fiber Characterization, and more. Full list of options are available through your VIAMI representative.
